

April 27, 1977

To All Hahn Employees:

We are pleased to report that March was an excellent month for our company. Sales were \$1,677,000 and exceeded the forecast we had for the month. Even though March was a good month, we must wind up the year with a good last quarter...(April, May & June)..to accomplish what we set out to do at the beginning of our fiscal year last July.

In our last Employee Meeting on March 3rd, it was pointed out that if we can sell the product we have built before July 1, it will mean so much in helping us to finance our company for next year, to level our employment during the slower months.

Let's hope we have a warm and wet spring so we can sell out of our inventory by July 1, and keep rolling right into our 1978 year starting July 1st.

Sincerely,

Jack
Kenneth (Jack) Hahn

Dan Fuquay, Assistant Marketing Director of Hahn, Inc. announces that Del Doubler has been promoted to Sales Manager of the Outdoor Products Division.

Del came to Hahn in 1961 when we acquired the Eclipse Lawn Mower Company and has been in sales and service since that time.

He is well liked by the distributors, and with his technical knowledge and experience we look forward to faster growth in the Outdoor Products Division.

When he is not selling lawn mowers, Del enjoys sports, especially golf. He and his wife, Mary Ann, live with their four children at 5119 Winding Way.

TIPS FOR SUMMER

from.....Judy Sikes, Plant Nurse

Just a reminder to all of you who get Poison Ivy, Poison Oak, or Poison Sumac. After contact, remove clothing and wash skin with soap and water. Most of the time this is all you need to do to remove the poison and stop the itching.

Snake Bites...Be aware of your surroundings. The two known snakes in Indiana are the Copperhead and the Timber Rattlesnake. Kentucky has both of these plus the Cottonmouth. If bitten, don't panic. Stay calm, and never run. Apply a loose, constricting band "above" the bite; a scarf, pantyhose, or a tie will do. Lower the involved area and apply ice if available. Then transport the person to the nearest hospital.

I have been asked several times about allergies and frequent colds. If you think you have allergies, please see an Allergy Specialist. We now have three in Evansville:
Wm. B. Triplett, M.D. Medical Arts Building
Herb Dieckman, M.D. Medical Arts Building
James Marvel, M.D. Welborn Clinic

Please report all work-related injuries immediately to your Supervisor or to the Plant Nurse. This is for your benefit in processing your claim with the Compensation Carrier.

Welcome !

VACATION

The Plant will be shut down for vacation the last two weeks of July, July 17 through July 31st.

CLARENCE HERMANN, who has worked for Hahn, Inc. since 1962, retired on April 11, 1977. Our very best wishes to you, Clarence, and catch a few big ones for all of us!

Our BEST WISHES on their recent marriages go to:

Joyce Rust, Secretary in the
Outdoor Products Division

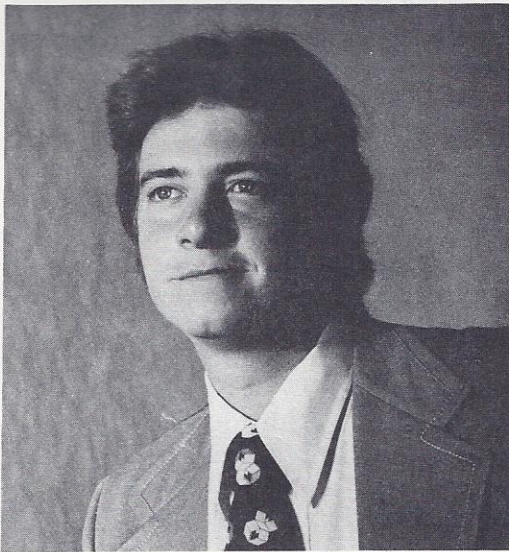

Betty Jones, Secretary to Wayne
Pokorney and Gordon Moerdyk

VACATION IDEAS

The Personnel Dept. has tickets for Employee Discounts on admission to Six Flags and Opryland '77. They may be picked up at the Personnel Office anytime during working hours.

The Personnel Office wishes all of you a safe, relaxing vacation, and hopes that you return rested and ready to go back to work.

HAVE FUN !!

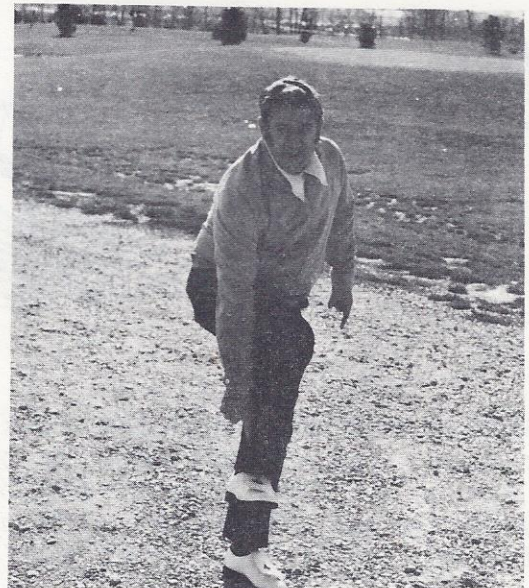

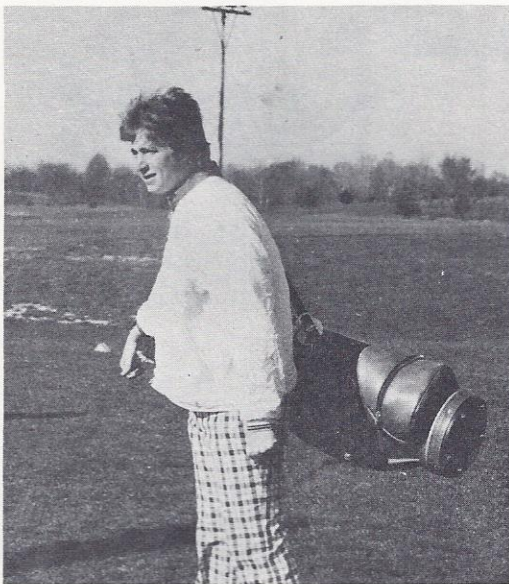

We are proud to welcome Stan Hahn back to Hahn, Inc. Stan attended the University of Miami in Florida and worked at Citizens National Bank in Evansville before joining the company.

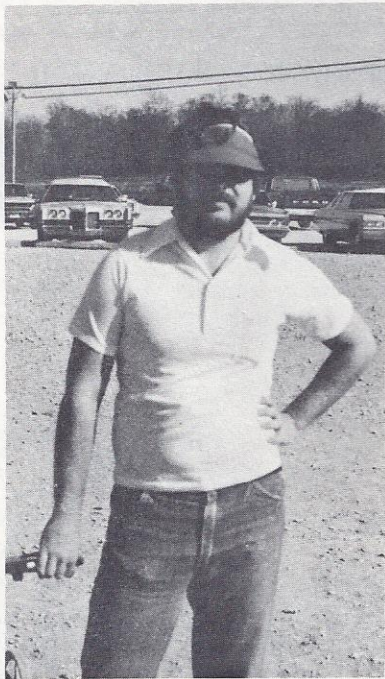

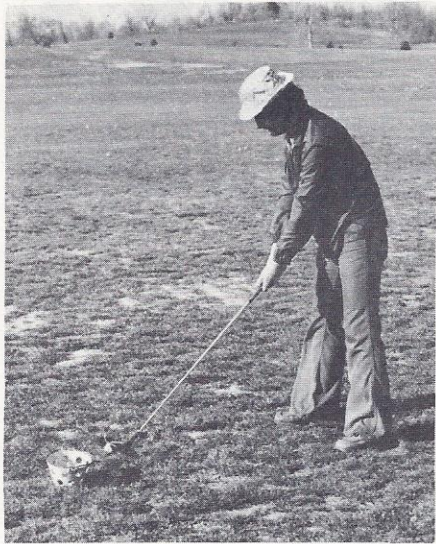

He will be training as a Sales Representative in the Outdoor Products Division.

A great golfer, Stan was the runner-up in last year's City Golf Tournament, and is planning to win this year. (We understand he is looking for a new caddy, and might consider a female.)

HEA GOLF TOURNAMENT

Stan and Del demonstrated their golfing ability in the Hahn Tournament recently. Stan won, but Del reportedly had the best looking shoes!
