

Seasons Greetings

December 1969

Dear Employee and Family:

"Peace on Earth, Good Will to Men" this is our prayer, that the forthcoming year will bring much progress toward World Peace.

....Let us thank our Maker for His many blessings to us

....Let us pray that strength be given those who are working for an understanding world.

....Let us pray that blessings of peace be ours to live in harmony

....Let us pray to be able to plan for the future with assurance

....Let us enjoy to the utmost the meaning of this Holiday Season with our families and friends.

These thoughts represent the spirit of our Christmas message to you. And, to you and your family, our most sincere Holiday Greetings.

The Management Staff

December 1969

CHRISTMAS HAMS

The Hahn Employee Association (better known as "HEA") is purchasing hams for seniority employees this Christmas. Ray LaBaw indicated that these hams would be 12 to 14 pound semi-boneless.

It was decided that only Evansville based employees be given the hams, exempting those serving their probationary period. First shift employees will be given cards on Wed. morning and will pick up their ham after work on the same day, Dec. 24. Second and third shift employees will receive their cards on Tues. Dec. 23 but will not be able to pick up their ham until between 12:00 noon and 5:00 pm on Wednesday.

HAHN BASKETBALL TEAM

The Hahn team has a respectable record to-date. We are in the middle of the league standings with a 2-2 record. The team is really enjoying this exercise and competitive activity.

The "starting five" consists of the following players.... John Barnett, Tony Jourdan, Gary Clark, Marvin Livermore and Walt Gardner who is a playing coach. John Barnett is leading the team in scoring with a 15 point per game average. Coach Gardner comments, "we still have a chance to take the league leadership if we can win our remaining games." Good luck to our "hoopsters."

CHRISTMAS CLUBBERS!

During 1969, Hahn Christmas "clubbers" saved \$52,814. Our thrift-minded employees certainly saved a sizeable bankroll for Christmas. These savings were placed with Evansville Morris Plan. Our employees are presently saving with Citizens National Bank for Christmas 1970.

AGRICULTURAL PRODUCTS DIVISION

The last couple of years have been lean ones for the Ag Division, as well as all farm equipment, but we are looking forward to 1970 with much optimism.

Our Go-Boy is gaining good acceptance from our spray centers and we hope its popularity will stir up interest for our other agricultural products.

The Go-Boy was recently shown at both the National Fertilizer Solutions Meeting and the Farmers Union Showcase. A great deal of interest was generated at both shows.

LADIES CHRISTMAS LUNCHEON

On December 24 the downstairs conference room will be transformed into a gayly decorated party room for the Ladies Christmas Luncheon. All of the 39 women employees have exchanged names and will exchange gifts during their lunch hour on the 24th.

Lunch will be catered by Mac's Famous Barbecue and will consist of ham, baked beans, german potato salad, and a relish tray. Some of the ladies have volunteered to bring other salads and Christmas cookies.

NEWS OF INTEREST

Dave Schmett, who works in sub-assembly, was married to Brenda Kissel on Thanksgiving Day. If you think that is unusual, just listen to the rest of the story. Brenda, whose birthday is on Thanksgiving Day is the daughter of Al "Chester" Kissel. Would you believe Chester's marriage date was also Thanksgiving Day? To top it all off, Dave and Brenda met each other several years ago on Thanksgiving Day!

HECO SALES

Roger and Sandra Keech with their two children Bryan and Michelle.

Roger L. Keech, Kearney-National Group Vice President of the Lawn and Turf Products, has already moved his office to Evansville and is directing all Kearney-National operations in the Lawn and Turf Division from here.

Lloyd Hahn, president of the Hahn Division pointed out that "the movement of the group headquarters to Evansville demonstrates quite clearly the confidence of Kearney-National in this community and the Hahn Division. The establishment of a corporate office will provide the necessary structure and management capabilities to further our growth objectives in the lawn and turf products field."

Keech, 34, Has purchased a home in Evansville. He was with Kaiser Aluminum for eleven years prior to joining Kearney-National in 1967.

DELUXE 8-6 The Pow-R-Pro Deluxe 8-6 rotary mower has an electric key-start or a Pull'n Go start with an automatic choke. The engine cover and fold-down handle features make this mower ideal for family use.

The fingertip height adjustment and exclusive Pow-R-Vac housing design lets the Pow-R-Pros cut from 1" to 3-1/2" high, within 1/8" of obstacles and under fences for the ultimate in versatility.

NEW HYDROSTATIC DRIVE TRACTOR

The new, high-performance GT-700 tractor combines rugged power with the handling ease that every tractor owner wants. This tractor is the first to be offered with a lawn mower attachment worthy of the finest lawns.

Our exclusive Pow-R-Vac mower housing stands grass straight up and the overlapping 19" blades cut a 36" swath as clean as a reel-type mower and still uses less power because of the efficient Pow-R-Vac designed housing.

HOLIDAY GREETINGS
TO YOU AND YOUR FAMILY

Our greetings are being sent to you through our contributions to the EVANSVILLE SOCIETY FOR CRIPPLED CHILDREN AND ADULTS.... and the...EVANSVILLE ASSOCIATION FOR THE RETARDED CHILDREN.

MAY YOU HAVE
PEACE ... HOPE ... LOVE
FROM ALL OF US

Family
