HI-SPOTS

God bless you all
This Christmas Day;
May Bethlehem's star
Still light the way,
And guide thee to
The perfect peace
When every fear
And doubt shall cease,
And may thy home
Such glory know
As did the stable
Long ago.

ANNOUNCING

Congratulations to HERSHEL SMITH,
new Vice President of the Union,
and to DORIS WATKINS, the new
Recording Secretary.

Our thoughts and prayers are with
two friends here at Hahn who lost
loved ones recently. In October,
John Knabel, Hillyer Operator,
lost his wife, Dorothy. And in
November, Joyce Rust, Sales Dept.,
lost her husband, Ted.

UNITED WAY WINS AT HAHN

The United Way Drive was a huge success
this year at Hahn, Inc. Employees
pledged \$2722.26 which represented a
98% increase over last year. 67% of the
Hahn employees contributed, and the
average contribution was about \$19.

John Neale, pictured with Gene Baumgart

television set donated by the Company
to encourage participation.

THANKS H.E.A. for all you do!

A CHRISTMAS TWICE AS NICE FOR THE COOKSEYS

On November 23, Peggy Cooksey gave birth to twins, Jaime Marie and Amy Lynn. Born in Davies County Hospital, Jaime weighed 5 lbs., 1 oz., and Amy weighed 4 lbs., 4 oz. Jaime is on the left...(or right?) and Amy is on the right...(or left?). Mother and father (John works in Custom Products) are both doing well, with father not doing quite so well as mother!

YOUTH APPRECIATION WEEK

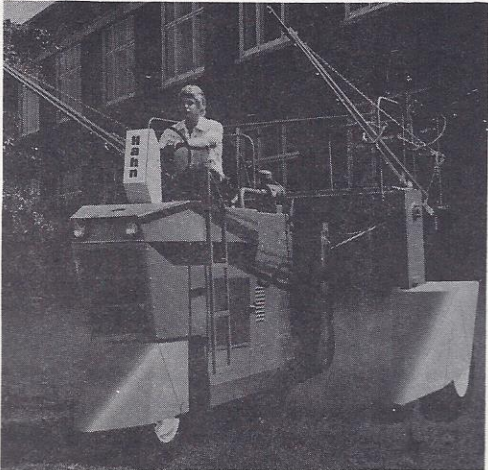

Miss Carla Imel, a senior at Reitz High School, visited the Company on November 15. As a part of Youth Appreciation Week sponsored by the Optimist Clubs, Miss Imel visited various departments. She was able to see first hand the different elements of a manufacturing organization, and was impressed by the size of the F604 in which she is pictured.

Merry Christmas and a Very Happy
New Year from your sometimes

NEW PRODUCTS

AG PRODUCTS DIVISION

The Ag Division's new H770 Hi-Boy Sprayer was unveiled at the Distributor Meeting held October 16 & 17. Distributors from the U.S. and Canada met at the Executive Inn. They were recognized for their sales efforts in 1977 and heard many reasons for being optimistic about 1978.

Distributors and Company personnel agreed that the depressed farm market can only increase our Ag sales, as farmers must seek less expensive means of chemical application.

TURF PRODUCTS DIVISION

The Turf Distributor Council Meeting saw no less enthusiasm for the new Tournament 1202 Greensmower introduced there. The Canadian and U.S. Distributors were in agreement that this new greensmower is the finest piece of Turf Maintenance equipment on the market today.

The meeting, held November 6 & 7 at the Executive Inn, was encouraging to the Sales Dept. who expect readily increased sales in that division for 1978.

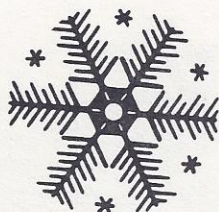

HALT! WHO GOES THERE?

Sgt. Jackie Krack of Pinkerton, Inc. is a valuable asset to them and to Hahn, Inc. Born in Zutphen, Holland, Jackie came to the US in 1972. She has made the States her home, now, and the home of her daughter, Deanna, who is 20.

Next year Jackie will be married to Don Mosely, her good looking beau we all met at the HEA Dance. In the evenings she studies Stenography at IVY Tech. In her spare time she likes to bowl and hunt.

Jackie and her daughter live at 4130 Longfield Drive.
