James H. Keller Elected Vice President of Operations

The Board of Directors of Hahn, Inc. has elected James H. Keller to the position of Vice President, Operations effective on July 1st. Mr. Keller, a member of the Board, will be in charge of the entire Manufacturing Operation, as well as Information Systems and Corporate Planning. Reporting to him will be the Director of Materials, Director of Operations Planning & Information Systems and Director of Manufacturing Operations.

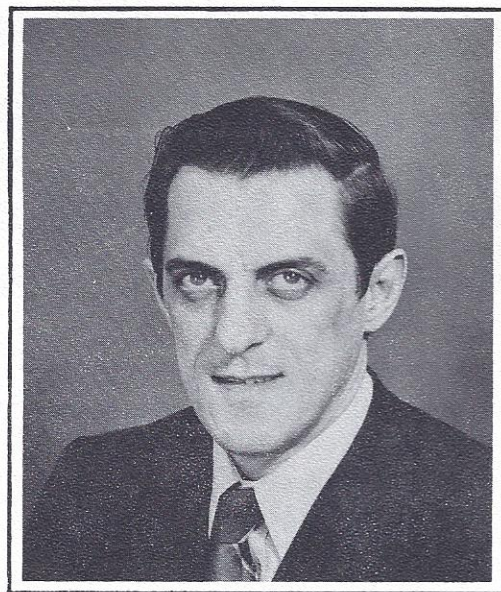

Mr. Keller joined the Company as Director of Marketing in January of 1972, responsible for the three Marketing Divisions. On December 2, 1972, he was elected to serve as a member of Hahn's Board of Directors. Prior to his employment with Hahn, he had been Director of Computer Services for Allied Chemical Corporation in Morriston, New Jersey. He has also been associated with George S. Olive & Company and Mead Johnson. During the period that he was Director of Marketing for Hahn, he also was in charge of the design and installation of data processing systems and the educational training of Hahn employees in the data processing area.

Most recently he has been on a special assignment reviewing our systems in Manufacturing and heading a project team including Jim Riney, Manager of Inventory Control and Wayne Pokorney, Controller.

A native of Evansville, Mr. Keller is a graduate of the University of Evansville. He and his wife, Peggy and their daughter, Gretchen, reside in Evansville on Woodcastle Road.

Mr. Wayne Pokorney, formerly Controller for Hahn, has been promoted to Director of Operations Planning and Information Systems, reporting to Jim Keller. Wayne will be in charge of the Data Processing department and the Operations Planning functions for the Corporation.

He joined the Company during February of 1973 as Controller with responsibility for all Accounting areas and preparation and control of budgets. In the past few months he has become involved in Data Processing, and was a member of the Project Team studying Hahn's Manufacturing processes and developing systems for the factory operations.

"UNITED FUND AWARD"

Hahn employees were awarded the 1973 "Gold Panel Award" of the United Fund of Southwestern Indiana. Following are some excerpts from a letter received from the United Fund Chairman.

"The award is in recognition for the excellent support given by Hahn employees to our 1973-74 United Way Campaign. Much of the success we have achieved is due to organizations like Hahn. This award represents deepest appreciation for a job well done as expressed by the United Way, the twenty-nine agencies, and on behalf of the thousands and thousands who are helped each year by those agencies.

Thank you for your concern for the welfare of your fellow man."

H.E.A. NEWS....By Jan Gregory

The date for the annual H.E.A. Picnic has been set for Saturday, August 10th. It will be held at Burdette Park this year and facilities for swimming and skating will be available.

We are going to considerable expense this year to make this picnic one of the best we've ever had, and for this reason, we are going to ask each one of you to help us out.

In the past, many people have made reservations to attend and then haven't come. This is very costly to the H.E.A. and to you as members, because we use your reservations to determine how much food to order. With this thought in mind, we are requiring a \$1 deposit per family on reservations. It will be refunded the day of the picnic.

This is your picnic, so let's all work to make it successful. More about it later.
