# HI-SPOTS

*The winter Holiday Season is upon us and reminds us it is time to take stock of the many good things that have come our way.*

*While all of us have our problems, we have many things to be thankful for and it is good that we take the time for giving thanks, sharing gifts and getting together with family and friends for fun and fellowship.*

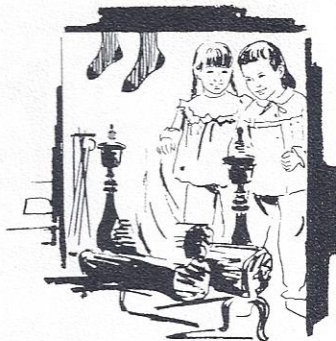

*Thanks to everyone for their efforts and cooperation this past year and let's work together to make next year the best one ever!*

*The Hahn Management*

## "CHRISTMAS CUSTOM"

It was agreed that again this year, Hahn, Inc. plant and office personnel who wish to do so would make a donation to the Evansville Assoc. for Retarded Children & the Society for Crippled Children...rather than sending Christmas cards to their co-workers. Anyone wishing to do so, contact Helen Hahn. A list of participants will be posted on the bulletin boards. Please make your donations by December 14th.

## "CHRISTMAS HOLIDAY"

The plant and office will be closed for Christmas on December 24th and 25th. Have a very merry Christmas and please remember to drive safely.

## PROMOTIONS

Congratulations are in order for Doris Lindsey. She was recently promoted to Supervisor of Graphics, reporting to Jim Niemeier and responsible for the overall supervision of the Graphics area and the Print Shop.

In addition to her busy job here at Hahn, Doris keeps a family going. Her husband, John, son John, Jr., and daughter, Leslie, are the most important people in her life. Both children attend North High School and have many activities in which "Mom" becomes involved.

She's an avid reader and somehow finds time to work in an occasional novel along with current news articles and other materials. Doris is up to date on most any issue whether it's political, environmental, racial, or religious.
